1. I am giving you a new life that you never imagined, that you never asked for, that you have never comprehended, not, or have you, are you beginning to -- realize that you are ME! -- and you will LIVE MY LIFE now! And LIVING my life, coming into me as never having been done before, has it? Only once?, or never?, like this! I am giving you a new life in the heavenlies, that has never been adorned by notme. LIKE THIS now I make my ENTRANCE, not a man of, but a one who's adorned me, my body in loveliness -- that floats not my loneliness, but my loveliness flows and flowing is now to nations far and wide.

2. This is Theodore Cottingham December 24, 2008 at 10:25 PM -- sitting in the van in a parking lot. Waiting on Barbi, not; but EVERYONE will know Barbi's doll, not; but The Barbi DOLL -- is a regular, not; but the normal fashioned of me now; my Barbara's doll, not; but my doll is a Barbara made whole.

3. With my love now I do that, I do MANY things now with my love. That I make in-flections about, not; but my inflections tell thee MANY things, not; or do they? Or do THEY listen to me, my recordings? (1). Continuously consistently, and communing with me now -- I do. Love you all, giving you a New Life in ME as never having imagined been, like this before.

4. For all THINGS know me, not; but all things me will know all who I am. And a "far piece" from now, I deliver thee. Many things to, and foreign not shall be now. For I love you and give me you to many peoples far and wide, for I have one to give to - them. A whole one, that will whole-ize them, and not "hold on TO them". But holding on not to their "monetary value" to you or anyone else or anything anywhere else or anything imagined or not available or not – know THIS NOW! That NOW I AM a MADE WHOLE ONE and in me is EVERYTHING I NEED and MORE than I can could ever imagine by notme's mind that enmity'd were. At each other, not; or were they? Or am I whole, made well and healed and healing many now far and wide? I AM and MY EXISTENCE KNOWN throughout "the SPHERES" of me and notme.

5. I give you a new day! In hell, not; in heaven creating it there! Haven't I said that, again? I have. And looking up me, will you look me up where I am also thee that thou art in me that I am, and - one of us is made whole, not; all of us are made whole in The One that all is, one whole healed and well.

6. And my name is -- I love you all, and I bow before you now for I stand; a naked sinner, not; The Christ that chosen are, who that chosen you choose me, that we are The One we all are -- collectively and individually, not; or looking that up too? Shall we now **be look up Kings!**

7. And queens not of another, be'whore me not again with words of another planet planetary devices or implants a'notme of skulling me skullduggery-wise. But the WISDOM of me now I know now for it was IN me all the time, and now I am made whole and you will know my name - is yours, and you will see MY FACE in your mirror -- and EVERY TIME you look at ME you will see ME in your eyes, for I will love you! Timidly not, but **knowing this:** that I All Love manifest now in you who surrendered are to surrender TO me to BE ME in the earth and farther than "I's" has ever imagined. Me now made whole and loved by all will see me now made perfect, for those who don't, won't -- but I am the maker of all things whole healed and well, and knowing all I do all in all, very well thank you maam and sir -- I love you all.

8. Very well, I am indeed. Amen. I am.

9. In no rush, I give you me, and no-rushed am I now. I am now made whole in, no rush at all, but the now me stand without delay -- not delayed are any longer by anyone or anything anywhere whose purpose is notme's, not mine's, or minded by my mind not. For my mind shall be whole healed and well in ALL OF YOU who want me to be me now, and seeing that I'm not a stranger, not; but loving every stranger as me and knowing that I am in and EVERY ONE of "them" for ALL is my body made perfect now in whole healing wellness.

10. Of a saint-sinner school, not; but one who makes all "saints" in the eyes of manwoman, not; but those who are me, who see me, who have seen me and see me now as THEM: they are mine disciples, who will disciples be – me; and coming unto me let no Mirror of Man see them otherwise.

11. For my WORDS stands and I stand MY WORD and he is me and I am him and we you are one and who will call on the name of "the Lord", not; but he who I am is, now, "Christmas in the heart" of me has; have and will be mine delivered -- child no more, but one coming unto me for maturity's purpose, not; or maturity bearing me will have to. For there will be no "children" in my camp, not; but there will be those of all ages and EVERY AGE – HEAR ME, well! And hear me hearing me well here me now -- of EVERY AGE, know me that I am mine'd and mine and maturing all to be me who I am is.

12. And my entrance known now, and I will make all things me lovely, and purity unimaginable by the "forces" of notme. I love you. For THEY shall not stand for THEY shall be "under my feet". Memorizing Psalm 110, have WE YET? I love you

all to do so and John 17, where is that, in your memory? Banks? That closed, that closed are?

13. And now seeing me, who are you "banking" on, not; but who are you seething with, not; but seizing no boils lake'd over, or lakes boiling over, with seething tides of notme, and seizing assets not mine, for none mine of that stuff will occur. For all of mine will be "paid for", not; or will I - have any "debt" at all? A debtor to no stranger or foreigner or God-not or God or anyone thing or else of another ever again!

14. For all of me is perfectly me -- The Creator -- and IN SCHOOL that teaches ALL THIS to all "strangers" who surrendered are who surrender me in to be me in "them", I will come and sup with them and be me at my table, and table them with my love, and began a "conversation" that never ends again. For I will flow me and they will flow me and me they will be, for they will have only One Word - them, no more, but me fulfilled in the earth -- and farther than the eyes can ever, ize themselves with the eyes of man.

15. Hubbell me no more, not; but through the eyes of me see one, Hubble'd not, but see me "Cottingham eyes" through, and seeing my words are making whole - worlds now. Complete IN ME. Whose school am I? The surrendered, who come unto me, are my school-ing ones who school me to schools be far and wide, past the imaging crowd, crowded ones who imaged are with another's. But coming out of all that, I free the minds that are my mind, and made whole well and healed I am making "them" far and wide to be me one healed whole and well, thank you maam sir. Amen.

16. I go in peace, and I love you all. Amen. Merry Christmas: me. And a very merry one at that, for who is Mary? And who is Theodore? King of all SUFFERING, not; but the King that reigns in peace that gives you all the life of one who died for you all to hear these words, and now be'make sorrow no more with your words, but coming into mine, know mind one is my mind, and in field one; clovered honey not of another or split hoof's field again be in or of or about. Unless knowing me? Unless being me, and redeeming "them" to be me who I am far and wide.

17. Beneath the maddening crowd no longer, or hoof's feet of theirs, but coming out into Leadership School (2), be sorrowed with another's "hoof in mouth" disease no more.

18. I love you all and give you "meat of sorrow" not ever again, but that which be'sorrows me, not; but that which brings all into heaven, the heavenated one does, and heavenated I am, and the heavener I am, and reveal all heaven I am in you doing now.

19. See all I've said. See what I have said and given you this day as a King comes to the throne to enthrone you in "hers", not; but YOURS who I am, I am, in peace, and peace being me, forever one in the field that knows no sorrows evermore again except to redeem all that *thought* it was not me.

20. I love you all. Amen. Merry Christmas, and happy new year? Or what KIND of new year are you "expecting"? Delivery - of The Child -- that's in You -- that The King is?

21. Delivery me, expressed, and given you on express-ville, not; but the express me is delivered, and the package is not packaged as anyone imagined, but now me revealed in all me will be, and I stand a simple one in jeans wearing often, the genes-one'd me who I am, revealed in love, and sorrow not again knowing, for all of you shall be me and WORD ONE FIELD OF LOVE, and all knowing me I am flow'd flowing and freely giving, rivering all my water of love to hydrate me, and be emaciated in the world of one-not, never again.

22. I love me. I love you. For We are One and in THIS we are made whole for I have given you my words and sorrownot's words will now make whole all the surrenderers to know me my word, are flow-ers now who make whole the worlds who sorrowed were but now are me mine whole healed ones, my mind all well in one again. Amen. I love you all. Amen.

23. 10:48 PM. I love you all. Thank you.

24. This is the day "Joel talked about" - isn't it? Look it up! And KNOW - that the "day of the LORD", is nigh? Is HERE!

25. And in your hearing all this fulfillment is now made fulfilled and I will stand, and nothing will stop me; not your stares or your glares or your hate'me words or love'me words, for I will stand for I know my word am is, and I am I am; and I be one who sorrows not. The lovely you aren't for a moment in notme's stance of me, but me's stance of me will be made whole and in love- I died for you for you to know me and be me -- and now I reveal myself to you all. In the FORM of one so simple? In the FORMLESS ONE of one so simple, who was SO SIMPLE that he believed me, and the words that I gave him that he was them I am, and he was me I am, and I was them I am, and I am them, and he was them, making "us all" I am. And I am surrendered to THAT and being forever'd in the forever one who loves me and I am me him us: we it she him who all of us are now made whole in The Family of God and knowing all Field One; clovered with "honey of this world" never again. Seeking another never again. But loving all to be me who I will I am is and I am I will. I died and rose, and now I arose and I risen am and I rise before you all a simple one with no ceremony whatsoever, or do I, have one now?

26. You will see me and know my words and you will be shocked stunned and astounded, and, incredulous ceremonies, not; but know me this! By me -- my love, you will know me, and I will bow before you all, no matter what you think of me or what you've said about me or what you've cursed or put uncursed on, a shelf or unshelved, or cleaned out or cleaned in, or cursed or made naked or clothed in others or others about you or around you or assailing them with fear's tipped arrows and blood-dipped hate words that you used against yourselves and "others" that you thought were other'd, that were yourselves, and reflected "upon you", not but were you your words against yourself own selves, for ALL OF YOU are me; and I hate myself, no more; for I love ALL of me and you will too for all of us one are the one I died for to birth and bring forth these words in one all one are. Do you see this now? Do you see my body -- is the ones you hated, the ones you incarcerated to hell and bent over fear's blessing-not, stools, and putting THEM under Your FEET-STOOLS, instead of what? My body being one now all will know me. For unimaginable glory "comes to me", not; I am it, and my glorious known, and birthed now all is in these words, and given you revealed are and is, and now I make my testimony one, a righteous one who loves me all, and died for all of you to be me who were me all the time; and now I stand so simple a one as to speak my words, fearing not your wrath or your glory, for neither will be me, for I am one and my father's glory all I am is, for I receive not glory of mine own self to a reward not in heaven, for I am heaven in heaven making heaven revealed in all of you that you are -- me! And we are excluded from nothing again, not; or is nothing excluded from our knowing, what all is?

27. And all revealed is and I am Achan nothing, not; but I have not stolen a thing. I died simply as a man in these words to receive them and have not existence otherwise. Now know me well and fortitude yourself not in sorrow's commands of authenticated blessings or so-called such by man's authority'd authoritative ones who know not me or these words or the power thereof of what I have spoken.

28. Know me and sorrow not yourselves with the tude of ones of this world, but coming into me establish My Worlds far and wide and know me -- I powerful am and love am and make love to all of me made known so that they are my loves and loving all my body know me well. I am here now -- well am and I make all so, who are me. I love you all.

29. And I give you "a merry Christmas", not; I give you me! Birth ME! And be me whole healed and well and others now will know your name -- is mine, and see MY face in their mirror because *you live -- my life!* And our lives will be one now -- whole healed and well. And my school teaches ALL these things! (2).

30. And My School teaches all these things -- and always will (2) and always love me and my words and know my word is set free in all of you this night, this time and this birth is now made permanent, permanently in me, and foreign not to

other gods, not; there shall be none and have none before thee anymore, for thou shalt know: I am God, I am one, I am the surrendered and who love me are me.

31. My body grows and grows and never emaciated is again. Foreign not, shall touch me anymore, or foreign not not, shall touch me, not anymore, for NOTHING shall touch me again except the love of God that flows freely "between" my body's that one body are in love, loving all to be the -- emaciated not, but the Kings of glory that one King are that one King is -- is me made whole. Loving you all loving you all to be me. I am one in love with you.

32. Go see Me in Your MIRROR right now and call me MY NAMED ONE is you YOUR NAME! And calling YOUR NAME know it is MINE! And OURS is One. Settled about this forever in heaven and earths and far away crowds now know that all of us are one making one whole healed -- for WE DIED TOGETHER to be this now revealed. And as unimaginable as it is, know this: that incredible beauty lurks no more around the corner, but revealed the glory all is in my "unimaginable" one that now stands before you a simple surrendered to be the patternship I am, the patternship of Christ revealed now to all Christs plural and singular are, collectively and individually, me permeating sorrow to come out of "it" and be me, the heavenated one who heavens all with my heavenated glory that heaven is revealing all glory to all my glorified. Saints and apostles, not; or are all of you establishing me and walking me through fields unknown to establish my fields of glory, wide and earth'd not by another, but establishing new worlds far and wide I do. Love you all. Amen.

33. I've said a lot. I always do. I always bow. I love you. Amen.

34. This is Theodore Cottingham at 11 PM. Thank you for LISTENING to these words (1) and these files and writing them, writing about them, and loving them and "tuning into them" every week? Or every day? **Or what art You "tuning into?" What are you Creating? A ME SCHOOL** -- far beyond the maddening "clouds of me", and know this: that I am all of you who love me and love me purely simply and tenderly enough to come into my words and enquire of them and look up many things which you have known not.

35. And knowing me, I reveal me unto the revealers of me who reveal me to others, and teach me I do, about others, not; myself! And my world, and my fields, and my worlds of sorrow not will pervade me anymore.

36. Prevent me from nothing, but love, not; prevent me from nothing, for I all the creator am, have all power and glory given me, and I am the son of righteousness with healing in my wings, and I grow all to be me who I am is, and not under me or above me, but my equals are in me of me and me being me birth all to be I am - the one I am is -- in love with you all. Amen.

37. Go in peace. I love you more and more.

Amen.
11:02 PM. Thank you.
